

# FREE CLASS!

## Introduction to Digital Photography

### A Great Beginners Class!

**Hands On**

**Date:** February 23, 2010  
**Time:** 9:00am – 10:30am  
**Cost:** FREE!!!  
**RSVP:** Required

**Requirements:** Must have basic computer skills

**Note:** this class is offered to Adults & Seniors only

**Seats are limited – first come first served.**

**Free Workshop**

In this class, you will use Photoshop Elements 8 to import pictures into its catalog and tag them so they can be quickly found later. Once they are entered into the catalog you will learn how to easily enhance them, improving their brightness, contrast and color. Finally, you will learn how to make a simple slide show, just one of the many ways to share your pictures with family and friends.

This is a **great beginners** class - and if you like the program, don't worry – in depth classes are available too.
