

## Kiwanis Club of Rolling Hills Estates

### Scholarship Application

The Kiwanis Club of Rolling Hills Estates is pleased to offer scholarships to deserving students from our local South Bay area. The scholarship monies are allocated by the Club based upon the proceeds from fund-raising activities, including the annual Palos Verdes Marathon, which is the second oldest, continuous-running marathon in the United States of America.

In addition to the annual Kiwanis Club scholarships, additional scholarships are awarded in honor of outstanding former Kiwanis members when applicants meet the requirements for these special awards. The Cliff Welsh Memorial Award is given for service to the community through Kiwanis sponsored youth programs, including Key Club and KIWINIS at local high schools. The June Staudhammer Award is given for merit in the pursuit of a career in nursing or a related medical field.

The Kiwanis Club hopes to reward students who have shown special "heart" and performed to the best of their ability in high school, and it is recognized that this high level of achievement may have been maintained under difficult conditions related to family, outside endeavors, employment and other situations. The scholarship committee will consider academic merit, service and need. Students may be recognized for performing exceptional service to their school and to the community. Applications are welcomed from students planning to go to a four-year college or university as well as those planning to attend a community college or vocational program.

Please follow the enclosed instructions carefully and submit all materials, as directed, by the Spring 2008 deadline.
