

# Palos Verdes on the NET

## Student Animation Group

**What:** Organizing a group of High School students between the ages of 15-17 who are interested in animation (for game design and for movies). There is a Limit of 12 spaces.

**PV Net Computer Technology Center** is sponsoring an animation work group where teens interested in 3-D animation can get together to gain experience in a simulated working environment which include software such as Autodesk Maya and Mudbox, Adobe Photoshop and Aftereffects, AVID, Soundforge, Premiere, video recording, editing, and production using green screen (chroma key), and other programs while collaborating on stories ideas and animations. Teens will develop many skills necessary to pursue a career in this field.

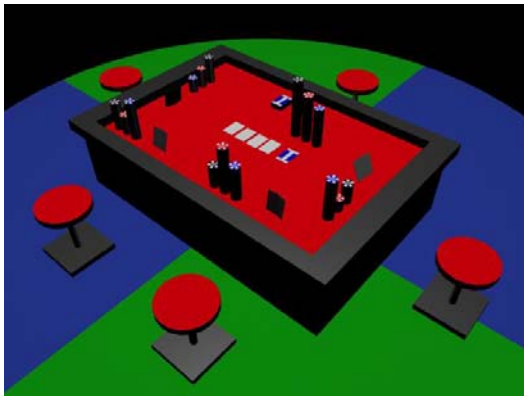

**Where:** Palos Verdes on the Net 30940 Hawthorne Blvd. Rancho Palos Verdes, CA. 90275 (located at RPV City Hall)

**When:** 2 to 3 meetings a week after school and occasionally on weekends beginning when the class fills.

**Prerequisites:** basic computer skills. (Animation background NOT required)

**Student Requirements:** Willingness to learn and agree to learn Maya, Mudbox, and Photoshop, do occasional short homework assignments, complete projects, attend 75% of the scheduled meetings, commit for a period of 1 year.

**Parent's requirements:** through the course of of the program (12 months) must be willing to supervise 3 Friday and 3 Saturday evenings while students work late, purchase pizza for the class 3 times on a weekend), cover the costs related to hosting the class (estimated at \$800 for the year).

**How to apply:** Fill out the form at:  
<http://www.palosverdes.com/animation/team> and we will contact you.
