

Chronology of activity regarding storm drains

	<u>Date</u>	<u>Activity</u>	<u>Value</u>
1	February 20, 1996	Engineering services for repairs to storm drain at the intersection of Basswood Avenue and Montemalaga	\$ 8,250
2	March 19, 1996	Engineering services for repairs to storm drain at the intersection of Basswood Avenue and Montemalaga	\$ 24,500
3	June 18, 1996	Construction contract for repairs to storm drain at the intersection of Basswood Avenue and Montemalaga	\$ 24,000
4	January 7, 1997	Awarded an engineering contract to prepare a master plan of storm drains.	\$ 100,000
5	May 20, 1997	Construction contract for roadway and drainage repairs along Palos Verdes Drive South.	\$ 221,605
6	October 7, 1997	Construction contract for improvements to storm drain inlet at McCarrell Canyon	\$ 44,115
7	November 19, 1997	Engineering contract for design services for the PVIC storm drain	\$ 9,000
8	August 18, 1998	Awarded construction contract for a drainage inlet along Palos Verdes Drive East	\$ 26,700
9	September 1, 1998	Awarded a construction contract for the rehabilitation of a storm drain along Palos Verdes Drive West at Alida Place	\$ 123,000

Chronology of activity regarding storm drains

	<u>Date</u>	<u>Activity</u>	<u>Value</u>
10	October 20, 1998	Awarded a construction contract to rehab a storm drain along PVDrive East at Bronco Drive	\$ 20,000
11	November 4, 1998	Awarded an engineering contract for storm drain improvements to the Bronco / Palos Verdes Drive East storm drain	\$ 52,900
12	January 1, 1999	Approved master plan of storm drains.	\$ -
13	February 24, 1999	Approved an agreement with Capital Pacific Homes for a joint project to construct storm drain improvements at the boundary of PVIC and The CPH Project	\$ 192,000
14	June 15, 1999	Awarded an engineering contract for environmental services regarding storm drain improvements at Palos Verdes Drive East at Bronco Drive	\$ 30,500
15	September 7, 1999	Approved expenditure on a onetime drainage project in cooperation with the Portuguese Bend HOA	\$ 10,000
16	February 15, 2000	Awarded an engineering contract to investigate drainage alternatives at Palos Verdes Drive West at Marguerite Drive	\$ 20,500
17	June 6, 2000	Awarded a construction contract for storm drain improvements to the Bronco storm drain	\$ 641,000
18	July 18, 2000	Awarded a construction construction contract to make interim repairs to the Sunnyside Ridge Storm Drain	\$ 40,000

Chronology of activity regarding storm drains

	<u>Date</u>	<u>Activity</u>	<u>Value</u>
19	September 2, 2000	Construction contract for grading and drainage improvements at Portuguese Canyon	\$ 74,715
20	September 5, 2000	Awarded engineering contracts for the San Ramon Drainage and Landslide Stabilization project	\$ 87,000
21	October 3, 2000	Approved a change order to the Palos Verdes Drive East at Bronco Storm drain project	\$ 375,000
22	October 3, 2000	Approved an agreement with the City of Palos Verdes Estates to construct a joint project at the boundary of the two cities	\$ 735,000
23	October 17, 2000	Awarded a construction contract for the rehabilitation of Palos Verde Drive South through the landslide which included significant drainage improvements	\$ 327,000
24	March 6, 2001	Award of engineering services for environmental services for the San Ramon Drainage Project	\$ 33,700
25	April 3, 2001	Awarded an engineering contract to investigate storm drains along Palos Verdes Drive East	\$ 205,000
26	April 7, 2001	Presentation on storm drain needs presented the Community Leaders Breakfast	\$ -
27	June 1, 2001	Presentation regarding storm drains made to the Communities Leaders	\$ -

Chronology of activity regarding storm drains

	<u>Date</u>	<u>Activity</u>	<u>Value</u>
28	October 1, 2001	Awarded phase one construction improvements for San Ramon storm drain	\$ 215,000
29	October 2, 2001	Awarded a construction contract for storm drain improvements for San Ramon Canyon	\$ 2,408,096
30	October 2, 2001	Awarded engineering contracts for the San Ramon Drainage and Landslide Stabilization project	\$ 850,000
31	October 16, 2001	Awarded a construction contract to repair a storm drain along Palos Verdes Drive South in the vicinity of Pepper Tree	\$ 150,000
32	October 16, 2001	Awarded contract for the purchase of pipe material for the Palos Verdes Drive South drainage project	\$ 42,000
33	February 1, 2002	Award of additional engineering services for the San Ramon Drainage and Landslide Stabilization project	\$ 210,000
34	August 6, 2002	Awarded construction contract for the rehabilitation of 25th Street, which included drainage repairs	\$ 419,000
35	October 15, 2002	Additional authorization for Change Orders for the San Ramon Drainage project	\$ 140,000
36	October 15, 2002	Awarded a construction contract for improvements to the storm drain at PVIC.	\$ 277,000

Chronology of activity regarding storm drains

	<u>Date</u>	<u>Activity</u>	<u>Value</u>
37	March 4, 2003	Award of additional engineering services for the San Ramon Drainage and Landslide Stabilization project	\$ 124,000
38	April 15, 2003	Awarded engineering contract for the Tarapaca Landslide Investigation	\$ 5,000
39	May 6, 2003	Award of construction contract for drainage improvements to the Mustang Storm drain at Palos Verdes Drive East	\$ 30,000
40	August 19, 2003	Award of engineering services for an update to the Master Plan of Drainage	\$ 40,000
41	September 16, 2003	Award of engineering contract for the video inspection of Storm drains citywide	\$ 40,000
42			\$ 8,375,581
