

SERVICES

The Palos Verdes Estates Police Department provides the following services to the public.

Bicycle Licensing – the State of California issues serialized stickers to be placed on the bike frame. This is used as a tracking device if the bike is stolen or lost. The licenses are good up to three years and can be purchased for \$3.00. Please call ahead for scheduling.

Citation Sign-Offs – Correctable violations. The vehicle should be brought to the front of the station to show proof of correction. Sign-offs' are available until the court appearance date. Equipment violations must be signed off immediately. Once the citation is signed off, proof of correction needs to be mailed or taken in person to assigned court. A \$5.00 fee is required for this service.

Photographs of traffic collisions can be obtained by Detective approval for a \$25.00 fee plus cost of film development.

Megan's Law – If you are interested in seeing how many registered sexual offenders are in your area, the Community Relations Officer can get that information for you. If you would like to see photos – if there are any available – you can set up an appointment with our Community Relations Officer, Domonique Franklin at 310-378-7522, ext. 1. Please note that exact addresses are not available for public information.
