

RANCHO PALOS VERDES

Education channel to debut Saturday

The inaugural broadcast of Rancho Palos Verdes' new educational channel is scheduled for 10 a.m. Saturday with a City Council meeting.

Because of limited space inside the television studio, the public is invited to an 11 a.m. brunch marking the kickoff following the broadcast.

Parking and admission are free to the event on the grounds of City Hall, 30940 Hawthorne Blvd.
