How To Ride

Reading Bus Route Schedules

Find the name of the location where you will board the bus, your starting point (A). Vertically, below the name of your starting point, is a list of times when the bus will arrive (B). Horizontally to the right of your starting point will be a list of bus stop locations along the route with their corresponding arrival times directly below (C). Make sure the arrival time for your destination meets your schedule.

Bus Stop Arrival

Plan to arrive at the bus stop a minimum of 10 minutes before the bus is scheduled to arrive. Use Nextbus to check real-time bus arrivals. See Nextbus for details. Bus stop signs list the name of the bus routes and the final destination of the route. To confirm you are going in the right direction, make sure that the location on the bus stop sign is the same as the last destination on your bus route.

Buses operate Mondays through Fridays only. No weekend or holiday service.

Have Your Fare Ready

Before boarding the bus have your fare ready. The regular PV Transit fare is \$2.50 and \$1.00 for senior and disabled passengers. If you want to transfer to another PV Transit route, ask the driver for a free transfer. Transfers to Metro, Torrance and Beach Cities Transit are 25 cents. PV Transit accepts Inter Agency Transfers (Paper and TAP) and Metro EZ Pass (adult and senior & disabled). If you transfer using a stored value TAP card you will have to pay a transfer .25 cent charge. Buses operate Mondays through Fridays only. No weekend or holiday service.

- No electronic devices may be played on the buses without headphones/earbuds.

TAP CARDS

Transit Access Pass (TAP) is a durable, reusable plastic card created for faster, safer boarding. There are two ways to load cash on the TAP card: **stored cash value** and **monthly or semester school passes**. TAP cards with stored cash value and monthly or semester school passes are NOT the same.

Stored Cash Value

TAP cards with stored cash value in amounts up to \$200 may be purchased at the PV Transit office or at any Ralph's grocery store on the Peninsula. Once purchased, additional cash can be added to the TAP card online at taptogo.net. When using TAP cards with stored cash value, **PV Transit fares are deducted for every bus ride - \$2.50 each way.**

Monthly and Semester School Passes on TAP Cards

Student riders can save money by purchasing a monthly or a semester student pass on their TAP cards. TAP cards with monthly or semester student passes are **valid for one month or one school semester for unlimited rides.** Purchases of monthly or semester passes on a TAP card can be made in person at the PV office or by mail only. Monthly or semester passes on a TAP card cannot be purchased at Ralph's grocery stores. Contact PV Transit office for more details.

How to Use a TAP Card

Wave the TAP card in front of the TAP reader located at the bus entry way. The system will automatically deduct the appropriate amount - student pass or cash fare.
