HEAD OF SCHOOL

For the past 23 years, Rolling Hills Prep School has enjoyed the privilege of preparing over a thousand young men and women for success and leadership in college and beyond. I'm pleased to report that the Class of 2004 is heading off to an outstanding group of selective and diverse colleges and universities across the United States, thanks to their

hard work, their teachers' guidance, and our community's belief in RHP's vision.

What an extraordinary journey from our beginnings in the living room of a local educator, followed by a move to our first classrooms in the Covenant Church with a total student population of 12, and then to Malaga Cove! Now, with the receipt of the deed to the land on which our permanent campus will sit, we begin a new chapter in our evolution. The opportunities and challenges facing us are both dizzying and exhilarating. We wouldn't be celebrating so many successes without the commitment and hours of dedicated service from our Board of Trustees, our families and our community. Please accept my gratitude and my heartfelt thanks to each and every one of you for your efforts and support.

As we look ahead to the construction of our new campus, we can begin to visualize the "new" Rolling Hills Prep School.

Many of you know that plans for our physical campus are innovative and, hopefully, will serve as a model for environmentally-friendly, green construction. Our vision for the school's mission will not change. We will continue to dedicate ourselves to instilling in our students *disciplined minds, sound character, healthy bodies and creative spirits*. Moreover, our new campus will allow us to expand our vision and to reach out to our community in ways that were not possible before now. We envisage a school that is truly a South Bay resource, with our students reaching outwards and contributing to the community as well as focusing inwards on their own academic and life development.

The results recorded in this annual report reflect the magnificent support of our own people: Board, employees, current and former families, and close friends. With your support we send a message to others as yet unconnected with RHP:

Join us in helping to build one of this state's first truly green schools. Join us in transforming our school into a signature resource for the community. Join us in our energetic vision for the future of the South Bay's very best kids. Join us in supporting RHP.

BOARD PRESIDENT

Bob and Dee Van Nice with son Robby (Class of 2004)

To Our RHP Families:

It has been another great year at RHP. Congratulations to the Class of 2004, many of whom graduated with honors. As RHP's most recent graduates move on to the next stage of their lives at colleges and universities across the country, I know that the education they received here will place them in good stead for success in the fields of their choice.

It's an exciting time here for us as well with the new campus finally within sight after years of dedication, commitment, determination and just plain hard work by the RHP Board and you, the members of our wonderful RHP community. I'd like to say a special word of thanks to Jim Krause, a private consultant who has worked on this project for the last six years with steadfast conviction, expertise and words of encouragement for all of us. Jim is a true visionary, and the reality of the new Rolling Hills Prep School will owe much to his efforts.

I'd also like to thank David Olson for his leadership as President of the RHP Board of Trustees for the past two years. My family has always teased me about my big feet, and now I'm glad I've got them because he has certainly left me big shoes to fill as the new Board President. Thanks also to Keith Glassman, Bruce Trotman, and Kumiko Yasuki who are stepping down from their Board positions. All have worked tirelessly on behalf of the School.

RHP's Board of Trustees is looking forward with great enthusiasm to the challenges that lie ahead in building our permanent campus and continuing to ensure high quality education and opportunities for our students. I have been privileged to see the results of so many students who have blossomed here in all areas of academics, the arts, community service and athletics, many times discovering talents and interests they didn't know they possessed. Here at RHP we are blessed with great, committed teachers and with families who want to be involved, the perfect combination for success.

On behalf of the Board of Trustees, I thank each of you for your commitment to quality education, for sharing the school's vision and for your continuing support of RHP's development.

Bob Van Nice
President, Board of Trustees

That's the spirit!

DIRECTOR OF ADVANCEMENT

Students and teachers at RHP are fortunate to have a hard-working corps of volunteers who support so many of our activities and events. The executive committee of the Parent Association, including Faith Trotman, Sheila Pell, Lisa Martz, Terri Connelly, Cindy Dennis, Mara Gibbons and Cathy Stain, led volunteers (some par-

ents, others who are friends of the school) to new heights in providing programming for the students and families of RHP. Events such as International Day, Grandparents/Friends Day, the Auction ("With a Little Help From Our Friends"), student dances, and parent Meet and Greet evenings, to name a few, have kept volunteers at RHP busy!

A big "Thank You!" must go to alum parent Mary McKinney (Colin, '03) who co-chaired the Golf Tournament and chaired the Auction for the fourth consecutive year. Mary has been indirectly responsible for raising more than \$600,000 dollars for the students and teachers of Rolling Hills Prep School.

Special thanks to Mike Connelly (Julie, '07 and Jennifer, '09) who chaired the 2003-04 RHP Annual Fund. Under Mike's guidance Annual Fund once again achieved 100% participation from current parents, trustees, administration and staff, and exceeded our goal by bringing in a total of \$254,000! Fundraisers like the Annual Fund, the auction and golf tournament are important to RHP because every penny raised is returned to the classroom for the benefit of each student and teacher at the school. Without these focused fundraisers, RHP would not be able to offer the

depth and breadth of programming that it does.

Another special thanks must go to Frank and JoAnn Frisina (Tory, '06) for their labor of love in giving birth to the RHP Booster Club. What a joy it has been to see the parent support for every athletic event at the school. Not only are the Frisinas forever encouraging each and every parent to attend all student athletic events, but they have taken the challenge of chairing the RHP golf tournament to raise money for scholarships and athletics in 2004. Let's all help them raise more money than ever for student athletes and scholarships at RHP!

Any article about volunteering at RHP would be incomplete without mention of Rolling Hills Prep's incredible board of trustees. Chaired by David Olson (Jake '03), this dedicated group of current and alum parents and friends spends thousands of hours every year working to insure that RHP has appropriate policies and corporate structures to guide its future. Under the leadership of incoming board president Bob Van Nice, they will continue to work hard to plan for a smooth transition to the new campus that will be their legacy to the children of the South Bay. Insuring that future generations of students, just like yours, will have educational opportunities equal to those of the students of today is most important to the RHP board.

As the Annual Report goes to press, excitement is building over the receipt of the deed to land that will finally allow the school to build an environmentally certified green campus and enable every teacher to have his/her own classroom, provide library space in which students can study, drama and field space for which we do not have to compete with other schools, and, most of all, "a home of our own."

We have only just begun!

Linda Eviston
Director of Advancement

RHP Operating Budget 2003-2004 (Unaudited)

ANNUAL FUND THANKS

Once again, our families and friends have surpassed our Annual Fund goals through their 100% participation and generosity. My personal thanks to each of you for your support and commitment.

On behalf of the students at Rolling Hills Prep, I'd like to add a very *heartfelt thank you* to the following individuals, corporations and foundations for their special gifts, scholarship and grant support—and for sharing our vision.

EDUCATOR OF THE YEAR

Congratulations to Mary Todd

Each year, the Palos Verdes Peninsula Chamber of Commerce and Rotary Club honor extraordinary teachers by naming them Educators of the Year. RHP English teacher Mary Todd was honored this year, and deservedly so! Although she has a reputation for exacting standards, she is one of the favorites with RHP students who very much appreciate the valuable lessons learned in her classroom. In addition to teaching, Ms. Todd produces the middle school literary magazine, *The Crown Jewels*, which has won national recognition for the past several years. What does she love about teaching? "To live daily in an environment informed by books and ideas and populated by open, unjaded minds – both adolescent and adult – is a comfort and a privilege," she explains.

"Mary has been with us for eight years now, teaching 7th, 8th and 12th grade English," stated RHP Head Peter McCormack. "Her interdisciplinary writing project, her debate on Hiroshima, and her Knighting of Sherlock Holmes, have become parts of the 8th grade rite of passage. Her annual rendition of *To Kill A Mockingbird* leaves some kids in tears each year."

*Thanks, Ms. Todd, for making
a difference in our students' lives!*

Ways of Giving To RHP

Regardless of size, each and every Annual Fund gift RHP receives is vitally important to the advancement of this school, its vision and our efforts to maintain an excellent curriculum. Listed below are options for your consideration.

Gifts of Cash, Checks, Visa or Mastercard: These gifts are fully tax-deductible and are put to work right away.

Gifts of Stock or Securities: Gifts of appreciated stock generally offer a two-fold tax saving: avoiding capital gains tax on the increase in value of the stock and providing an income tax deduction for the full market value of the stock at the time of the gift. For information on donating stocks or securities, contact the Advancement Office.

Gifts of Life Insurance: Naming Rolling Hills Prep School as the owner or beneficiary of a life insurance policy is a good way to make a large donation at nominal cost to you. Premiums paid for policies are tax-free.

Corporate Matching Gifts: Hundreds of companies support education by matching or multiplying contributions that are made by an employee or an employee's spouse to an IRS 501(c)3 non-profit organization like Rolling Hills Prep. Your human resources or community relations department should have the necessary applications. This is simple to do and can double or triple your gift to RHP.

Memorial and Honor Gifts: Rolling Hills Prep is honored to accept and recognize gifts made in memory or in honor of a friend, relative, faculty or staff member, or to acknowledge a birthday, graduation, anniversary, or other significant event. This type of gift is also tax deductible, as are all of the giving methods listed here.

Planned Giving Opportunities: Including Rolling Hills Prep School in your will with a planned gift can establish a permanent family legacy and can also provide tax benefits, a life income benefit, or other favorable estate arrangements. If you are interested in learning more, please contact Linda Eviston in the RHP Advancement Office. Your tax advisor or attorney can also provide you with information about the best way for you to make a planned gift to RHP.

All annual gifts receive recognition in the annual report by giving categories and grade level. Anonymous gifts are always welcome; please make your wishes clear in writing to the Advancement Office.

For those of you who want to make contributions beyond Annual Fund, here are some suggestions. It is, of course, possible to endow your own personal fund to honor a loved one or a favorite teacher, to provide scholarship funds, to endow campus improvements, or to fund

a specific area of academia.

The Basil Louros Endowment honors a much-loved photography instructor at RHP. The fund was started by a group of parents who wanted to establish a photography lab in his honor at the new site.

The Marilyn Harper Endowment honors another much-loved teacher who helped found RHP. Funds from this endowment support the humanities at RHP.

The RHP Endowment is a general fund that supports the school. Currently, this is a small fund, but one that must grow as the school matures to enable it to fund department chairs and academic growth.

Finally, in our endeavors to secure foundation and corporate funding, it is often necessary to ensure a match component in the proposal process. These gifts enjoy the same tax benefits as noted above. Following are some of the items that will be included in this year's grantwriting efforts. Please contact Linda Delarosa in the Development Office for further information or to pledge your support.

*Technology
Teacher Conferences
School Van*

*Science Lab Equipment
Athletic Equipment, Uniforms
Kilns for Ceramics Classes*
