Subject: Receipt of Petitions for the Marymount College Initiative

Dear Dr. Soldoff:

I, Carla Morreale, City Clerk of the City of Rancho Palos Verdes, have received the petitions for the Marymount College Initiative. The number of registered voters last reported by the Los Angeles County Elections Official to the Secretary of State at the time the Notice of Intent was published was 26,963. I have examined the petitions and based upon my examination, I have determined that the number of signatures, prima facie, is 4,876, which is in excess of the minimum number of signatures required for a special election or regular municipal election. Therefore, I am accepting the petitions for filing as of this date, pursuant to California Election Code 9214.

Carla Morreale
