

EMERGENCY PREPAREDNESS MEETING

The City of Rancho Palos Verdes Emergency Preparedness Committee is holding a special Peninsula-wide meeting to better educate the public on **“Community Disaster Communication”** topics such as family communication planning, how Los Angeles County Sheriff and Fire departments communicate with other governmental agencies and the public, and how amateur radio is a vital information tool.

Representatives of Homeowners Associations, school and library districts, volunteer groups, community organizations, places of worship and other local groups are welcome.

For more information, contact Gina Park, City of Rancho Palos Verdes City Hall (310) 544-5206.
