PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the City Council of the City of Rancho Palos Verdes will conduct a continued public hearing on the appeal of the Planning Commission's approval of the Marymount College Facilities Expansion project on **Saturday, September 12, 2009, at 9:00 a.m.** The meeting will be held at the multipurpose room at the **Peninsula Montessori School located at the Golden Cove Shopping Center at 31100 Hawthorne Boulevard.**

At its August 18th meeting, the City Council opened the public hearing, and due to the hour of the meeting, continued the public hearing to September 12th to consider the following:

Appeal of the Planning Commission's certification of an Environmental Impact Report (EIR) with a Mitigation Monitoring Reporting Program (MMRP) and the Planning Commission's approval of Case No. ZON2003-00317 (Conditional Use Permit – Revision "E", Grading Permit, Variance, Minor Exception Permit, and Sign Permit): An appeal of the Planning Commission's approval of the Marymount College Facilities Expansion Project to allow the demolition of 18,022 square feet of existing floor area and the construction of 61,928 square feet of new floor area, including expanding 14,916 square feet of existing buildings. The approved development would result in a total of 151,090 square feet of campus floor area for the following buildings: Classrooms, Auditorium/Fine Arts Studio, Faculty Offices, Student Union/Book Store, Administrations Building, Chapel, Library, Maintenance, and Athletic Building (the proposed Residence Halls were not approved by the Planning Commission). Additional site improvements include the construction of fences, retaining walls, retractable netting at the athletic field, pedestrian pathways, plazas, and fountains to name a few. The approved improvements will require 84,800 cubic yards of earth movement (combined cut and fill) to prepare the site for construction. For more information regarding the project (including background documents such as staff reports, environmental documents, etc), please visit the City's website at <http://www.palosverdes.com/rpv/planning/marymount/index.cfm>

The appeal challenges the Planning Commission's certification of the EIR, determination regarding feasibility of alternatives, adoption of a statement of overriding considerations, and various findings for approval of the project with modifications including but not limited to removal of the residence halls proposed by the applicant.
