

CITY OF RANCHO PALOS VERDES  
PUBLIC WORKS DEPARTMENT

August 20, 2010

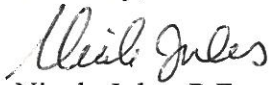

Dear Resident,

As you are aware, the City has begun the process of resurfacing the streets in your neighborhood. Enclosed is a map of the streets to be resurfaced as well as a table indicating the dates that work will commence.

The Chip Seal process will occur first on August 25<sup>th</sup>. Two to three days later the slurry seal will be applied. See the attached maps and tables that indicate when your street will be chip sealed and slurry sealed, respectively.

There will be a City representative on site at all time to answer questions you may have on a daily basis. Otherwise, feel free to contact us at City Hall at 310-544-5252 or visit the City's website for additional information [www.palosverdes.com/rpv](http://www.palosverdes.com/rpv).

Sincerely,

Nicole Jules, P.E.  
Senior Engineer
