~~Surfwriters Excursion, September 16~~ Ted Lange's Lady Patriot in Hollywood

Marilyn Litvak and other Surfwriters who attended Ted Lange's play, Lady Patriot, on Sunday, the 16th were very enthusiastic about the experience. "The play was wonderful: the story, the actors. It more than met my expectations and I believe the other Surfwriters present felt the same way. Ted did show up for the q/a session afterwards so we were well rewarded for attending." -ML
