

DAVID OF MICHELANGELO

By Ildy Lee

You stand erect
In shameless nakedness
Perfect in your silent perfection
Strong yet delicate,
Bathed in a golden glow
David of Michelangelo

Your erotic charms
Fueled along centuries
The imagination
Of ladies in ecstasy
Their fascination
Will never cease to grow,
David of Michelangelo

As you stand satisfied
In your beauty and pride
I admire you,
Narcissistic masterpiece.
Yet, I couldn't love you,
Your heart is cold as snow,
David of Michelangelo!
